

# Ozarka College

...providing life-changing experiences through education

---

## Continuing Education

---

Non-credit continuing education courses are scheduled throughout the year based on interest from the community and availability of resources on campus. To receive announcements about upcoming continuing education offerings, you may:

- Submit your email address to be added to the continuing education distribution list. Send an email request to **Dr. Mike DeLong**.
- Visit the Campus News section of the Ozarka Homepage to read announcements and other news about the college.

### Education To Go

---

Ozarka College has partnered with Education To Go to offer nearly 300 continuing education courses online. These courses are scheduled on a six-week timeframe and can be accessed from home, office or otherwise where access to the internet is available. Students may conveniently register and submit payment online. Classes begin on the second Wednesday of each month.
