Purpose:

A college committee charged with the review of scholarship and aid applications; and that determines the award of college scholarships and grants in accordance with college policies and scholarship/grant restrictions.

Committee Membership:

1. Director for Development, Chairperson
2. Vice President of Student Services
3. Assistant Director of Financial Aid
4. Admissions Counselor/Recruiter
5. Admissions Administrative Assistant
6. Two faculty members appointed by the president
7. One professional staff member

Responsibilities

1. Establish criteria for scholarships awarded by the college.
2. Review scholarship applications prior to each semester.
3. Approve the awarding of college scholarships in accordance with scholarship criteria each semester.
4. File a written list of awarded scholarships with the Financial Aid office prior to the beginning of each semester.

After four initial meetings to establish the practices for this committee's work, the committee functions primarily through email and other communication to complete scholarship selections each semester. Individual committee members review the applications and return recommendations to the scholarship chair who compiles the results and sends notifications to

students and to the appropriate campus personnel prior to the start of each semester.
