WELCOME

The Arkansas Craft Guild was established as a craft marketing cooperative in Stone County in 1962 and today some 200 artists and craft artisans make up the cooperative's all-Arkansas membership. For over 40 years Guild members' work has been juried on the basis of design, quality and fine craftsmanship. The Christmas Showcase brings together these premiere Arkansas artists to provide a great selection of unique gifts for the holidays.

The Guild office and the Arkansas Craft Gallery are located at 104 W. Main Street in Mountain View. The gallery is open year round. We invite you to visit when you are in Mountain View. Browse our unique gallery filled with the finest traditional and contemporary crafts, made exclusively by the Arkansas Craft Guild member artists.

Hours: Tuesday through Saturday
10 am to 5 pm
